Our Craft Beers ... for dashing men and dazzling girls.

Bevog - Deetz Golden Ale 0,33l Bevog brewery, Bad Radkersburg 3,9

Bevog Deetz is a pure refresher. Its aroma of grapes, citrus, lime, passion fruit, fresh straw and light bready notes will make your nose and taste buds dance. It is extremely drinkable, playful and never boring. Whatever the weather, place or occasion it surely fits and on a warm sunny day it will show you why it was made in the first place.
Vol: 4,8%, original wort: 11 °

Hop in the name of love 0,33l Hofstetten brewery, St. Martin 4,9

The first pale ale from the Mühlviertel area. Barley and hops thrive in a radius of 20 km to the brewery. A beer that is absolutely great for craftbeer newcomers. The special cascade hops gives this brew a mild note of citrus.
Vol: 5,5%, original wort: 12,5 °

Nicobar IPA 0,33l Gusswerk brewery, Salzburg 4,9

Gusswerk Nicobar IPA is inspired by the journeys of Austrian ships sailing from Trieste to the Nicobar Islands. They were carrying a special brew destined for the only Austrian colony in the Indian Ocean, established in the reign of Her Majesty Empress Maria Theresia of Austria.
Vol: 6,4 %, original wort: 14,8 °

Horny Betty 0,33l Gusswerk brewery, Salzburg 4,9

The triple mash and the double fermentation really light that fire. It offers a wonderfully wide, spicy-fruity aroma.
Vol: 9,0 %, original wort: 19,9 °

Die Schwarze Kuh 0,33l Gusswerk brewery, Salzburg 4,9

Imperial Stout is an english style beer that was made in the 18th century in honor of tsarina Catherine. The „Schwarze Kuh“ is a tribute to the organic beef of the pinzgau region which enjoy the brewery's organic draff.
Vol: 9,2 %, original wort: 20,9 °

Samichlaus Classic 0,33l Schloss Eggenberg, Oberösterreich 4,9

Nur einmal im Jahr am 6. Dezember gebraut ist dieses Starkbier international wohl das bekannteste Bier von der Brauerei, mit einer großen Anhängerschaft unter der wachsenden Zahl der Bier-Connaisseurs. The very elaborate and long-lasting manufacturing process (10 months in the storage cellar), makes it a real rarity.
Vol: 14 %

Sündenbock 0,33l Hofstetten brewery, St. Martin 4,9

The recipe was developed by Axel Kiesbye, Brewmaster at Trummer Privatbrauerei, and Michael Dihlmann of Austria's brewing organization, BierIG Österreich. We have dubbed the Sündenbock the first commercially brewed beer for students, as they were the ones who demanded it year after year. The result is nothing short of heavenly. Subtle, with clear honey notes, a hint of fresh lemon, and the oats rounding out and softening the beer. When aged a year, the beer begins to develop fine sherry notes as well! We are quite sure this beer will only get better the longer it matures, which is why we chose to fill it in larger 0.75l bottles, which are more conducive to long aging periods.
Vol: 7,2 %, original wort: 16,8 °
